His grand sire, Cluny Ian Augustus, was reserve grand champion at Perth and his dam was a winning show cow in Scotland. Brawith Julia is a fine, roan heifer from noted ancestors. Her sire, Browndale Brawith Boy, won as a calf and a two year old at the C. N. E. Her dam was sired by the great Crugleton Bugler (Imp.), a Canadian Royal champion in 1930 that sired both male and female grand champions and also Gets of sire that won first or second prize at the C. N. E. for six successive years and at the Royal for five years.

The Willowbank Farm Offering

James Douglas & Sons long have been known as breeders of America's best Shorthorns. It was in this herd that the world renowned Browndale Count was bred and developed. Canadian and United States shows for years have had their best exhibits composed of cattle from this herd or direct, close descendants of cattle from this herd. Never before has this firm offered as good a lot of Shorthorns by auction as they have listed for this sale. The two bulls that will be sold were both shown at the Canadian National Exhibition this year and both were winners. Browndale Air Marshall taking first prize in the junior yearling class. These bulls are sons of the famous Highland grand champion, Brawith Boy the sons of which are heading successfully many prominent herds scattered across the continent.

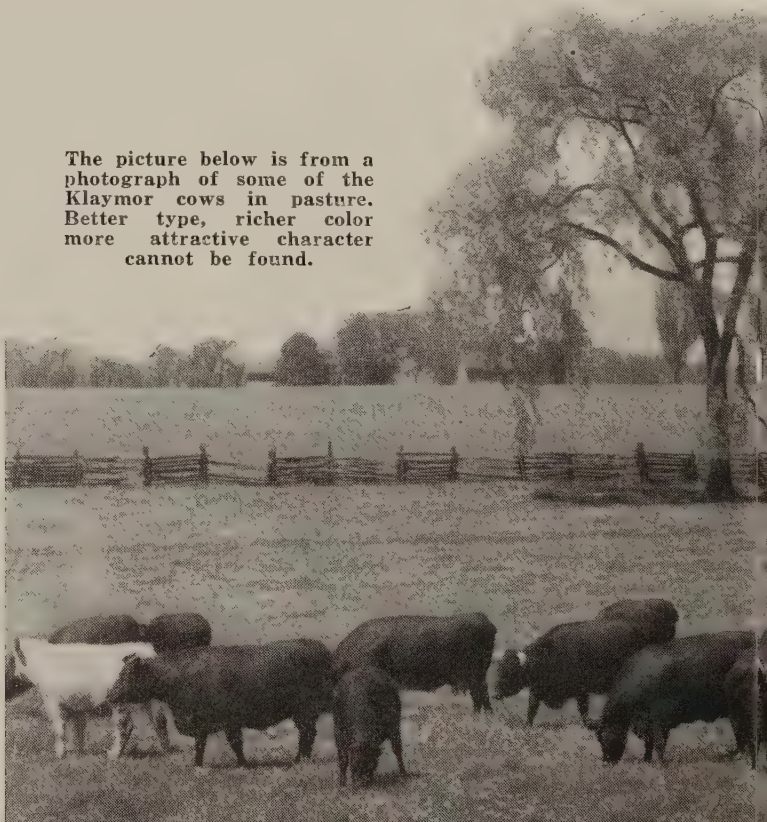

The females to be sold by Douglas and Son are an outstanding lot selected as much to retain this firm's unsurpassed reputation for producing good ones as for the purpose of bringing a fair price in the sale. Nine of these were sired by the famous Brawith Boy (Imp.) and seven of them are by his most potent son, Browndale Brawith Boy. This grand bull was out of as good a cow as ever graced the Douglas farm, Browndale Augusta by the champion Browndale Sultan. He is a great sire because he was bred right.

Other Douglas females in the sale are sired by Drynie Roister, Edellyn Browndale Sultan, Glenburn Acquisition and Blythwood Scottish Archer. Several of these have been shown this year and have been among the winners at the recent C. N. E.

Another attractive feature of this offering are the heifers bred and well along with calf to two outstanding Douglas herd bulls. Sultan Waverly, one of these, by the International grand champion Sultan Browndale, has proven to be a great sire. His calves are nearly all reds, have grand heads, desirable type and are extraordinarily uniform. The other bull is the latest acquisition to the Douglas herd. He is Larbert Templar (Imp.), a Princess Royal by the famous Cruggleton Reservist. He is an attractive roan with a grand head, just the right amount of bone, extremely good in the heart, extra thick fleshed and well balanced on short legs.

The 1938 Douglas-Russell sale was advertised as the best offering of cattle of the year in America. Breeders came from all parts of the U. S. and Canada and the result was the highest average price of any sale of the year. Nevertheless every breeder who bought at that sale has been well pleased with his purchase and it is doubtful if any one of them would be willing now to dispose of his purchase except at a considerable advance over the price paid.

The picture below is from a photograph of some of the Klaymor cows in pasture. Better type, richer color more attractive character cannot be found.

The Klaymor Farm Offering

The Klaymor herd of W. J. Russell has reached the top in the production of Shorthorns by the use of the best imported blood that ever has crossed the Atlantic. An almost uncanny ability to choose cows that will produce the best of offspring as well as the selection of two grand herd bulls that have proven to be the best of sires, have enabled W. J. Russell to breed Shorthorns second to none in America. Collynie Royal Barrage (Imp.), Klaymor Farm's senior herd bull sired bulls that last year topped all American auctions by a considerable margin and the price for an individual and the average for them all has not been exceeded this year. Also he sired the only undefeated grand champion bull of this season's shows, the great Klaymor Royal, and many other winners. But regardless of the prices for which they will sell, the bulls in this year's sale excel in type and quality those that went through last year's auction and give American breeders an opportunity to buy as good bulls as are produced anywhere in the world. The females by Collynie Royal Barrage are just as desirable as the bulls. For instance, there is a pen of four senior calves that will be sold any one of which would be picked by competent judges as a sure first prize winner at the largest shows, were the others not present. All who have seen them pronounce them to be the best they ever have seen. Three of these are daughters of Collynie Royal Barrage. The fourth is by Aldie Reynoldstown (Imp.), the junior herd bull at Klaymor.

Aldie Reynoldstown has now proved himself. Great as are the get of Collynie Royal Barrage, there are at least two specimens in this sale by the younger bull that have been picked as the best of the offering by no mean judges. They are the bull, Klaymor Commander and the heifer, Klaymor Floss. When you see them you will recognize Aldie Reynoldstown as a great sire. It is not the policy of W. J. Russell to show his cattle at fairs and expositions and it is a good thing for those who do show that his plans do not include showing. On the other hand Klaymor Shorthorns have won highest honors in the hands of showmen and there are several potential champions in this sale offering which includes an entire year's crop from Klaymor Farms.

This year's offering is better than that of 1938. There are better bulls in the sale. More of the females have good long service dates to outstanding bulls. More of the bulls and females have good show records or can win this year if shown. But best of all the cattle to be sold are all of superior type, rich quality, impressive character and backed by pedigrees that assure them to be breeding animals of greatest merit. You will not find better Shorthorns in America.

Klaymor Delegate (Imp. in Dam)

Klaymor Delegate, imported in dam, is one of the best bulls in the sale, though some white markings on his left foreribs may detract from his selling price. Otherwise his color is ideal. His sire was the sire of several bulls that sold for long prices at Perth this year and, as the pedigree shows, he is a son of Scotland's greatest bull, Calrossie Control. Do not overlook this good bull.

Collynie Royal Barrage is America's leading sire, Calrossie Rosewood Landlord is considered to be one of the best breeding bulls in Scotland. Collynie Royal Leader is considered to be the greatest sire of the last fifty years. Centurian's dam won first prize at the Northern Counties fair in Scotland and was considered by Captain MacGillivray to be his best heifer when she was purchased. This sire will improve the breed.

Klaymor Commander

No better bull will be offered for sale in 1939 than Klaymor Commader. Though a November calf he would win at nine-tenths of the shows in America. He is a rich, dark roan, short, blocky and thick, with an impressive head and great quality. His dam was the top cow in the Miller Bros. dispersal sale and his granddam was by the Great Browndale Count.

Klaymor Chancellor is an impressive junior yearling that will meet with much favor from those looking for a great breeding prospect that also can be shown with success. His sire Aldie Reynoldstown was first choice of the calves in the Finley MacGillivray herd in 1936. His dam was one of the two heifers that were the pick of the Balnain Herd. Look them all over at Klaymor and you will decide that you would like to have this bull for your herd sire.

As a prospective breeding cow she is near perfect. Her sire is the greatest American herd bull. Her dam was by Calrossie Grand Slam, a 550 gns. first prize at Perth, son of the great Calrossie Control. Her granddam was by the 2800 gns. Perth winner Calrossie Ramsden Monarch. Klaymor Victoria 2d is an extremely close second to Klaymor Princess Elizabeth in conformation and type. She is out of as good a red cow as there is in Klaymor herd. Her grandsire Calrossie Grand National was a first prize winner at Perth and sold for 2000 gns. He is one of the great sires of Scotland. Her next sire, Coldoch Union Jack was supreme champion at Perth and sired two Perth champions. It would be hard to beat this heifer and her pedigree.
